

## Branddefinition SIX

### Welcome to SIX

Welcome to the world of fashion accessories! A vast selection of the hottest styles, coolest trends and varied highlights – this is SIX. Here, fashionistas will find the right accessory for any occasion – earrings, rings, necklaces, bracelets, body jewelry, textile accessories, purses and a huge range of real silver jewelry and seasonal articles, like sunglasses, toe rings and anklets. A whole host of hot products that every fashion fan will adore.

SIX is for women who are always seeking out the latest trends and who enjoy reinventing their style every now and then. SIX is cosmopolitan, self-confident, surprising, authentic and always inspiring. And SIX costume jewelry is available at prices affordable to everyone.

SIX interprets the latest fashion trends from the international metropolises and offers frequently changing highlights. Shopping at SIX is simply different, because there's always something new to discover.

The SIX brand is part of beeline GmbH and was founded in the year 2000. Women who love fashion can now enjoy our gorgeous accessories in 26 countries worldwide.
